ECOGREENLUX™ *Lighting the Future—Responsibly.*

Introducing **ECOGREENLUX™**, the most advanced sustainable lighting solution on the market—redefining what's possible in decorative illumination. Engineered for performance. Designed for the planet.

ECOGREENLUX™ sets a new standard, reducing light pollution by an unprecedented 93% while consuming 60% less energy than traditional LEDs. It's not just energy-efficient—it's ecosystem-conscious.

Crafted from recyclable materials and built with biodegradable alternatives, **ECOGREENLUX™** goes beyond green—it eliminates the need for plastic ties and welded structures altogether. That means no toxic emissions, no excess waste, and no compromises on design or durability.

This is more than lighting. This is next-generation sustainability, beautifully executed.

ECOGREENLUX™—where innovation meets intention.

INTERACTIVE TIC TAC GLO

Introducing Tic Tac Glo – a bright, bold twist on the classic game you love!

Get ready to light up the fun with our interactive 3x3 showdown, where players take turns claiming their space on the grid. Line up three in a row—horizontally, vertically, or diagonally—and you WIN!

But here's the twist: Tic Tac Glo comes in Christmas, Halloween, and Día de los Muertos themes, so your favorite holidays just got a lot more interactive. Whether it's glowing snowflakes vs. stars, pumpkins vs. ghosts, or skulls vs. flaming hearts—every version brings the magic of the season to life in a whole new way.

Fast, fun, and totally festive—Tic Tac Glo isn't just a game. It's a glowing attraction your guests will be lining up to play!

WARRANTY

Decor IQ's Commitment to Quality Christmas Lighting and Commercial Decorations

Seasonal Use Products

Decor IQ's seasonal decorative lighting products are intended for display for up to ninety (90) days. Prior to use, all products should be inspected to ensure they are in proper working condition, and after the season, they should be removed and stored correctly to maximize their lifespan and usability. Using seasonal products for more than ninety (90) consecutive days may lead to excessive wear, reducing their overall lifespan.

Indoor and Outdoor Rated Products

Indoor products are not designed for environments with weather, moisture, sun exposure, elements, or significant temperature changes. Weather-resistant outdoor products can be used both indoors and outdoors but should be protected from direct moisture exposure, including rain and irrigation systems.

Warranty Policy

Warranties for Decor IQ products vary by product type. Refer to the specific product class for detailed warranty specifications. Misuse of products will void all warranties. Decor IQ is dedicated to protecting its clients' interests and will replace or credit products that fail to meet warranty standards.

We warrant to the original purchaser that, at the time of purchase, Decor IQ products will be free from manufacturer defects when used as intended. This warranty includes:

- Three (3) years on metal framing
- Three (3) seasons on garland products and components
- Two (2) seasons on electrical wiring
- One (1) season on all computerized lighting components, light bulbs, light strands, installation hardware, and other décor components not specifically listed, when used under normal conditions

Pole-mounted displays are designed to withstand winds up to 60 mph without ice load. Our warranty is limited to repairing or replacing any part or product deemed defective by Decor IQ.

Products not specifically listed in the above classes are covered by a sixty (60) day warranty. Altered products are not eligible for warranty coverage. The warranty applies only to the product itself and does not cover any costs incurred for shipping, installation, or removal labor. Shipping costs are not included in this or any warranty.

Under this warranty, Decor IQ's obligation to repair or replace is on a non-pro-rated basis. Labor for installation and shipping costs are not covered and are explicitly in lieu of all other expressed or implied warranties. Bulb burnouts or electrical damage caused by the buyer, weather, or handling in transit are not covered. All merchandise is carefully inspected prior to shipping.
